

Dear colleagues,

On May 20 – 22, 2009, Prague, will host an International Congress on Transfusion Practice & Transfusion Alternatives: From blood bank to perioperative period, organized under the aegis of the International Academy for Blood Transfusion (IATM) of the International Society of Blood Transfusion (ISBT).

This year the Conference organized by the International Education Exchange for the Baltic region in Riga, Latvia attracted over 330 medical practitioners from 22 countries all over the world. The faculty panel featured some of the most renowned experts from over 10 countries.

The preliminary programme of the Congress in Prague is enclosed.

Prague is a beautiful city in the heart of Europe. It boasts a great congress reputation attracting thousands of delegates every year. The venue of the Congress, the Adel's Hotel, is an up-to-date place close to the centre of Prague.

We cordially invite You to participate in the Congress.

The congress website and website registration will be available soon.
